Information Collection

All data collection, storage and utilization procedures practiced by HRGLOBAISYSTEMS are in compliance with all applicable laws, which include the Fair Credit Reporting Act (FCRA), individual state or province laws, the European Union Data protection Directive and any other international laws as applicable.

Personal Information Disclosure: United States or Overseas

HRGLOBAISYSTEMS does not generally transfer information to third parties outside the United States or its territories, unless it is necessary in order to complete a background report about the individual. Such information would be transferred outside of the United States or its territories when the completion of a background report about the person requires gathering information about that individual from outside the United States (for example, verifying education records outside the United States, verifying employment records outside the United States, or conducting an international criminal record check). Personal data is transmitted to these third parties through secure transmission in these limited circumstances.
